Care1st Dental Plan

DENTAL
DIRECTORY of PROVIDERS

December, 2006
It is important to know when you enroll in this plan, services are provided through the Plan’s delivery system, as described in the plan’s brochure, but the continued participation of any one primary care dentist, dental specialist or facility cannot be guaranteed.
Introduction

Welcome to Care1st Dental Plan’s network of dental providers.

This provider directory lists all of the primary care dentists, specialists, and facilities that make up Care1st Dental Plan’s dental provider network.

To become a member of Care1st Dental Plan, you must pick a provider listed in this directory to receive dental benefits. You will find all of the primary care dentists (PCDs) and specialists who partner with Care1st – Dental in this directory.

When you enroll in Care1st Dental Plan our dental partners, including Primary Care Dentists, Pedodontists (children’s dentists) and specialists, will take care of your and your family’s dental needs.

This directory is divided into three (3) sections:
1. Primary Care Dentists (PCDs)  Page 1
2. Index of Primary Care Dentists in Alphabetical Order  Page 7
3. Index of Specialists in Alphabetical Order and by Specialty  Page 11

Each section is organized by city to help you easily and quickly locate dental providers near your home. You may also use the Index of Primary Care Dentists to find a dentist by his/her name. This index starts on page 14. Remember the index is in alphabetical order by the dentist’s last name.

Use this directory to pick your Primary Care Dentist (PCD).

To assist you in picking the primary care dentist (PCD) that you want, we list each dentist by name, his/her office hours, and the languages spoken in his/her office. For assistance in enrolling with a dentist in this directory, turn to the next page or call our Member Services Department toll free at 1-800-605-2556 (TTY 1-800-735-2929 for hearing impaired).

If you have any questions about this directory or any of the dental providers listed, call our Member Services Department toll free at 1-800-605-2556 (TTY 1-800-735-2929).

Choosing Your Primary Care Dentist

At the time you enroll in Care1st – Dental, you are encouraged to select a primary care dentist. A Primary Care Dentist (PCD) is your personal dentist. He/she keeps a record of your dental history and the care you receive. Your Primary Care Dentist (PCD) also provides and arranges all of the dental care you receive as a Care1st – Dental member. Some dental offices have only one Primary Care Dentist (PCD) while other offices have more than one Primary Care Dentist (PCD) that you can choose from.

Please call and make an appointment to see your Primary Care Dentist once you are enrolled.

Changing Your Dentist
If at any time you would like to change the dentist who cares for you or your family members, you will need to complete a transfer request form. You can get a transfer request form and a dental directory from Care1st – Dental by calling our Member Services Department, toll free 1-800-605-2556 (TTY 1-800-735-2929). The effective date for your new dentist will be the first day of the next month.

For dental emergencies, if possible, call your Primary Care Dentist (PCD) first. If it is impossible to call your Primary Care Dentist (PCD), call 1-800-605-2556 (TTY 1-800-735-2929) for approval to be seen by a dentist.

Seeing a Dental Specialist
Care1st – Dental partners with a large number of dental specialists. If your dental needs require the care of a specialist, your Primary Care Dentist (PCD) will request a referral so that you can see one. Remember, your Primary Care Dentist (PCD is your personal dentist.) He/she provides and arranges all of the dental care you receive as a Care1st – Dental member.

Care1st Dental Plan is proud of its extensive network of qualified providers.

All of the dentists and facilities in Care1st Dental Plan’s network must meet our strict quality standards. These standards have been developed by Care1st Dental Plan with the input of dentists, accrediting agencies, and federal and state regulators.

Care1st Dental Plan performs an intensive review of each provider’s credentials when they apply to be part of the network. The provider’s credentials are re-reviewed regularly after they are accepted into the network.

If you have any questions about this directory or any of the dental providers listed, call our Member Services Department toll free 1-800-605-2556 (TTY 1-800-735-2929)

Care1st makes every attempt to ensure the continuing availability of dental offices listed in this directory. However, a primary care dentist will sometimes be closed to new enrollment. Or, a dentist or dental office may decide to end their partnership with us. Because of this, Care1st cannot guarantee that a specific primary care dentist or dental office will be available during the term of your membership. If you have questions about a dental provider in this directory or to verify a provider’s participation, please call our Member Services Department, toll free 1-800-605-2556 (TTY 1-800-735-2929).
